

# ONE week.

## *1 Week To Go*

- Pick-up all **Wedding Attire**. Try them on one more time to make sure they fit perfectly
- Have groom and groomsmen pick-up their tuxedos. Do a dry run and try on all garments to make sure fit, styles & colors are correct for each person
- Send the final guest list to the Catering & Cakes, Ceremony and/or GWM Reception Venue hosting your wedding-related events. Typically, companies close their lists 72 hours in advance
- Confirm wedding day details with all vendors. Distribute wedding day timeline and contact list (of all the major players – vendors & family/friends in your wedding) to **ALL** of your vendors
- Arrange for someone to send your wedding dress to an **Attire** preservationist and return the groom's tuxedo to the tuxedo rental store. Wedding rentals are usually from Fridays - Mondays
- Put tips in envelopes to be handed out at the event. Delegate small wedding-day tasks. Choose someone to carry your things, someone to be in charge of gifts (especially the enveloped sort), someone to hand out tips, and someone to be the point person for each vendor
- Double-check all arrangements. Confirm times for hair & makeup for **Wedding Day**. Confirm day of pampering for the **Day Before** the wedding
- Pack your baggage for your honeymoon and collect currency from your bank or AAA
- Check in with your **Minister, Pastor or Notary Public**. Make sure they have the correct address(es) for the Ceremony and/or Reception Venue
