

#5.

5 Months To Go

- Reserve structural and electrical necessities from our ***Tents & Rentals***. Book portable toilets for outdoor events, extra chairs if you need them, lighting components, and so on.
- Book ***Rehearsal-dinner Venues***. Negotiate the cost and the menu. If you're planning to host a day-after brunch for guests, book that place as well
- Provide bridal shower guest list to maid-of-honor
- Update registry lists for bridal shower
- Book one of our ***Hairdressers and/or Make-up Artists*** if required. Make a few appointments with local experts to try them out. Snap a photo at each so you can compare results. Make sure they will be available to you on your wedding day. If you have a large wedding party, you should consider hiring two hairstylists and one or two make-up artists.
